RECONNECTING

† A REPORT TO THE PARISH † A CHALLENGE FOR THE FUTURE

Over the next several weeks you'll see announcements in the bulletin and flyers in the pews about our next Reconnecting group, #9. It starts Saturday, October 18th, runs for six Saturday mornings. 10:00AM to Noon in the rectory. Not everyone who has participated in a group has returned to an active faith life in the Church. For some it's not the right time, for others it's not the right path, but for about sixty percent of the participants Reconnecting has been an important part of their trip home to their Church.

Reconnecting is a program developed here at MHR for those who've been away from the church for a while and are thinking about coming back. It's for those wondering: "What happened while I was away?" "Where's the confessional?" "Is it still communion if I don't get it from the priest?" "Is every pronouncement from Rome infallible?" "Do they really want me - - just as I am? It's also for those who've been back for a while and would like to participate in a group to get a bit more up to date and maybe work on some issues. It's especially for those who left angry with the Church as well as those who just became busy, got sidetracked by other things in life and simply drifted away. If you think Reconnecting would be helpful to you or someone you know please call the rectory: **415-863-6259** or e-mail: **reconnecting@mhr.org** . We'll have a volunteer contact you.

From time to time the Reconnecting participants ask for more - one calls more "The Post Graduate Course". The team has heard this so many times that we thought we ought to begin exploring just what that might mean. At a recent meeting we started tossing out ideas and quickly saw that the "more" our folks were talking about was really continuing adult education, something many in the parish have been talking about for quite a while.

We spoke with Father Steve about it, offered to share the experience and methods we used to create Reconnecting and facilitate the meetings. He gave us the green light. Here's our thinking.

- Adult education should not be a branch of Reconnecting. Its focus is different and the Reconnecting team already has its hands full. It's a great opportunity for new people (read: you) to get involved.
- An adult education program will stand a better chance of succeeding long term if it comes from the people of the parish, reflects their thinking, serves their needs and interests and is parishioner run.
- We can study and re-study what to do and how to do it from now till the second coming and still not have the "perfect" program. In creating Reconnecting we met frequently over a short time with the goal of rolling out a program in three, no more than four, months. Starting off we didn't have the "perfect" program (still don't) so we've made corrections as we've learned. We'd recommend this approach in crafting the adult education program.
- The parishioners who created Reconnecting answered an invitation in the bulletin calling all those who were interested in the question to just show up to talk about it.

INTERESTED IN THE QUESTION OF ADULT EDUCATION?

SHOW UP -- THURSDAY, SEPTEMBER 25TH, 7:00PM, ELLARD HALL.

BRING -- AN OPEN MIND, A WILLINGNESS TO LISTEN AND A DESIRE TO WORK.

THE HOLY GHOST WILL TAKE IT FROM THERE!
