Our Mission at Most Holy Redeemer Catholic Church

Most Holy Redeemer Parish is a Roman Catholic Christian Community. The parish draws people from isolation to community, from searching to awakening, from indifference to concern, from selfishness to meaningful service, from fear in the midst of adversity to faith and hope in God.

The community of Most Holy Redeemer shares God's compassionate love with **all** people. The parish offers a spiritual home for senior citizens and youth; single people and families; those who are straight, gay, lesbian, and transgender; the healthy and the sick, particularly persons with HIV.

As a parish community, we celebrate God's loving presence in our lives. In worship and sacrament, especially the Eucharist, we are nurtured and challenged to extend God's kingdom of justice, truth, love and peace by growing in the spirit of Jesus, the Most Holy Redeemer.

God's Inclusive Love Proclaimed Here!

Season of Creation

This week, Christians throughout the world begin our annual celebration of the Season of Creation (Sept. 1-Oct. 4). This year, unlike ever before, we are confronting the interrelated challenges of environmental crisis, institutionalized racism and the COVID-19 pandemic. **Pope Francis** suggests that the Spirit may be working uniquely through this trinity. The addition of COVID-19 to the crises of Earth and relationships has proven that everyone on Earth is intimately connected. This leads us to understand these three crises as intertwined pandemics that threaten us all and endanger our common future.

Like the exile for Israel, COVID-19 combined with climate change and our growing awareness of systemic racism may be a blessing in disguise offering us a graced, perhaps last, chance to change the course of our history. The evils facing us are global rather than personal. Our response must be tailored to the need. Whether we start by addressing health, racism or climate, the others will come along in the wake.

It's time to open our eyes and ears so that we can assume our responsibility and speak in the name of God on behalf of creation and the people of the Earth. This week, Ezekiel reminds us of our responsibility, and Jesus has promised to be with us in the process. The moment has come to remember that we are Christians, people baptized to be prophets not blind, deaf and silent to the happenings in the world around us.
