### Our Mission at Most Holy Redeemer Catholic Church

Most Holy Redeemer Parish is a Roman Catholic Christian Community. The parish draws people from isolation to community, from searching to awakening, from indifference to concern, from selfishness to meaningful service, from fear in the midst of adversity to faith and hope in God.

The community of Most Holy Redeemer shares God's compassionate love with **all** people. The parish offers a spiritual home for senior citizens and youth; single people and families; those who are straight, gay, lesbian, and transgender; the healthy and the sick, particularly persons with HIV.

As a parish community, we celebrate God's loving presence in our lives. In worship and sacrament, especially the Eucharist, we are nurtured and challenged to extend God's kingdom of justice, truth, love and peace by growing in the spirit of Jesus, the Most Holy Redeemer.

**Fr . Matt's Message**

**For All the Saints**

See what love God the Father has bestowed on us that we may be called children of God. Beginning next week, in a very special way, we will remember all those who have gone before us, the ones on whose shoulders we stand, the ones whose lives and witness, whose love we never cease to celebrate.

The martyrs and saints were willing to go to jail, to be thrown to the lions and burned at the stake. They explored and settled new lands, established churches and schools, built colleges and hospitals, spoke out against slavery, and spoke up for justice and civil rights. They did all these things because they loved God and knew God loved them. They also did all of this out of love for us. And so we do well to give thanks for the holy women and men of God who have gone before.

I think we've all had saintly people in our lives. Devoted parents, grandparents, maybe a teacher, hopefully a pastor or other minister, faithful and loving relatives and friends; someone who took an interest, someone who made a difference. The process of the creation of us didn't stop when we were born or when we were confirmed or when we graduated from high school or college. No, we grow each day. My mom would say that we are molded and fashioned by love. When we love and give ourselves in love, we play our part in the ongoing process of creation.

Love is what empowered and gave courage to the saints. Love gives us the courage and the strength we need to face life's challenges. Love helps us to grow into our potential, nurturing our desire to be better people.

We ask our friends here on earth to pray for and with us. And so it is the same with our friends and family in Heaven." They are still with us. They are still praying with and for us. In the Litany of the Saints we ask, "All you holy men and women, pray for us."

**All Souls Altar of Remembrance**

Next week as we enter into the final month of the liturgical year, we are called to pause and remember. In November, we remain especially mindful of the love that has gone before us. The first days of the month, these "Days of the Dead" begin with All Hallows Eve which leads us to the Solemnity of All Saints on November 1 at all of the Sunday Masses (including 6:30), and the Commemoration of All the Faithful Departed (All Souls) on Monday November 2 at 8:00 a.m. If you have photos of deceased loved ones (including any beloved pets), please feel free to place them on the table at the entrance to the church or on the ledge inside the sanctuary at any time throughout the month of November. These photos of our loved ones will remain in the church through the month of November until the end of the church year on Christ the King, Sunday, November 22<sup>nd</sup>. It helps us if you put your name on the back of the photo so we make sure your pictures make it back to you at the end of next month. If you are not local or are not able to, and would like us to place a photo of your loved one on our altar of remembrance, you could email a photo to us at [secretary@mhr.org](mailto:secretary@mhr.org) and we will be happy to frame it and lovingly place it in the sanctuary.

Yes, remembering is good. The ties of love which knit and bind us together are so strong. These ties are not unraveled in death. Our faith in a gracious God, tells us of a love beyond all telling. A love that lasts beyond death, a perpetual light that, when we are afraid, will show us the way.

God is with us, God loves us, and like a good Shepherd, at the end of our days, God will gently lead us home. May your week be filled with the blessing of beautiful moments and beautiful memories.

With love and prayers,  
Fr. Matt

### **Election Season - A time to discern**

Throughout the Scriptures we read about community and political leaders. We read from Isaiah the prophet about King Cyrus of Persia and how even though he was not a person of faith, he was called by God to liberate the Jewish people from Babylonian captivity (Is 45:1,4-6). One blessing of living in a democratic society is our individual call to electing local and national leaders through faithful citizenship. This call puts the responsibility on us to prepare ourselves through prayerful discernment and action. How do we incorporate Gospel values into civic life? As we find ourselves in the midst of election season our faith calls us to reflect on the values at stake and engage in respectful, thoughtful discussions that might help to clarify our thinking about the common good of all citizens. We might read what the United States Conference of Catholic Bishops has to say about faithful citizenship at [www.usccb.org/issues-and-action/faithful-citizenship/](http://www.usccb.org/issues-and-action/faithful-citizenship/)

It is very likely that no candidate will embody all of the issues you want to support. Assess the candidates' positions on all of the issues and prayerfully make the best decision your conscience prescribes. Pray daily for all those seeking political office and all who dedicate their lives to servant leadership.

"We need to participate for the common good. Sometimes we hear: a good Catholic is not interested in politics. This is not true: good Catholics immerse themselves in politics by offering the best of themselves so that the leader can govern."

*~ Pope Francis*
