Mary and the Season of Advent

The Blessed Virgin Mary plays a significant role in the season of Advent. From celebrations like the Immaculate Conception, Our Lady of Guadalupe, Simbang Gabi (a nine-day novena in her honor), to the scripture readings that recount Mary's yes, Advent is a time for us to consider the role of Mary. Advent is an ideal time to explore the variety of images and representations of the Virgin Mary.

Just as we do for the Month of November with framed pictures of those who have died, you are invited to join in creating the liturgical environment for Advent by **sending us your image of Mary**. Please email your image to Will at secretary@mhr.org or you can drop off a framed image to the parish office by Tuesday, November 29th. Members of the Art & Environment Committee will prepare a devotional space for Mary in the chapel at the “back” of the church.

Whatever image you choose to offer can help our community enter more fully into relationship with Mary and her Son.

Questions? Email liturgy@mhr.org

This World AIDS Day, Thursday, December 1st and the following weekend at all of the Masses, we would like to remember in a special way, those we have loved and lost to the AIDS pandemic.

Please write the name and/or illustrate the memory of a person you would like to bring to prayer on the card we will make available at all of the Masses this weekend and next, (11/26-11/27) and prior to the Mass on Thursday, 12/1. You may fill out more than one card if you would like. Thank you for your participation. As we pray for a cure we will always remember those we have lost.

AIDS MEMORIAL QUILT

We are so fortunate to be able to share in the Quilt's powerful stories of activism, love, healing, hope and remembrance and connect the story of HIV/AIDS to the important issues impacting our nation today.

This year on World AIDS Day, the National AIDS Memorial is partnering with Quilt Host organizations from around the country to bring more than 400 sections of the Quilt to communities across the country and once again **MHR** is one of those communities.

As the largest community arts project in the world, the AIDS Memorial Quilt is a teaching tool to help educate people about the story of AIDS, remember the more than 700,000 U.S. lives lost to disease, and to support local HIV/AIDS service organizations, LGBTQ+ centers, and support awareness about health and social justice issues.

The Quilt is a powerful teaching tool that shares the story of HIV/AIDS -- the 700,000 lives lost in this country alone -- and the hope, healing, activism and remembrance that it inspires. It is an honor and a privilege to present a block of the Quilt on World AIDS Day and to display it in our sanctuary.

Our Mass celebrants will remember the following intentions during the celebration of the Eucharist:
